

Celebrating 70 Years Of Entertaining The Indian Valley Community
Collegeville • North Wales • Quakertown • Souderton • Telford

Corporate Sponsorship Program

We are excited to offer you an opportunity to support the arts in your community through a corporate partnership with DCP Theatre!

DCP Theatre is a non-profit 501(c)(3) community theatre that has been in your neighborhood for 70 years. The spark that galvanized a local group of creative and inspired individuals over still guides and motivates DCP. The success of our all-volunteer organization truly depends on the appreciation and generosity of community members such as yourself and your company.

DCP's 190-seat theater presents six Main Stage productions and three Family Theatre productions each season. We are proud of our roots but have ambitious vision for our future. We want to continue to strive to be a community haven for personal development of young and old alike as we afford the opportunity for artistic expression that can transform an individual as well as a whole community. We need your support to help grow the future of DCP Theatre. We encourage you to partner with us and help us bear the financial responsibilities necessary to attain the highest production standards. With your help, we can continue to bring quality live theatre, art, and creativity into your neighborhood.

We have several Sponsorship Packages available:
